

Prep Worksheet 2

Needs of Living Things (Bee Version)

Instructions:

Look at the bee below. Draw or write the things a bee needs to survive: food, water, and shelter.

(Bee outline placeholder - draw a bee here)

Need	Tick when added
Food (nectar/pollen)	<input type="checkbox"/>
Water	<input type="checkbox"/>
Shelter (hive/home)	<input type="checkbox"/>

Sentence scaffold:

A bee needs _____, _____, and _____ to survive.
